

Gautam Buddha University

(Established by UP Act (9) of 2002)

Letter of Recommendation

I am pleased to write this letter to strongly recommend **Mr. Sameer Kumar (225/UCS/055)**, a student of **B.Tech Computer Science Engineering, Batch 2022–2026**, for his outstanding contribution in developing the **GBU Timetables App**, a digital solution that has been actively used by students since **2024**.

Sameer independently conceptualized, designed, and developed the application with the objective of simplifying access to academic schedules for students across the university. The app provides a structured and user-friendly platform for viewing timetables, thereby significantly improving accessibility and convenience for daily academic planning.

The impact of his work is clearly reflected in the app's adoption, with **10,000+ downloads**, a **4.3 user rating**, and an active user base of approximately **4,000–5,000 daily users**. This level of engagement highlights the practical relevance, reliability, and widespread acceptance of the application within the university community.

From a technical perspective, Sameer has demonstrated strong capabilities in **application development, user experience design, and system functionality**. His ability to identify a real-world problem and deliver a scalable, efficient, and user-centric solution reflects his innovation and problem-solving mindset.

In addition to development, Sameer has shown commendable dedication in maintaining and continuously improving the application, ensuring that it remains updated, functional, and aligned with user requirements. His initiative and contribution have significantly enhanced the university's digital ecosystem.

Sameer's work on the GBU Timetables App stands as a testament to his technical proficiency, creativity, and commitment to delivering impactful solutions.

I confidently recommend **Mr. Sameer Kumar** for future academic, technical, or professional opportunities. I am certain that his skills, innovation, and determination will enable him to excel in all his future endeavors.

Dr. Amit K. Awasthi
